(e) The Initial Bond shall be in the form set forth in paragraphs (a), (b) and (d) of this Section, except for the following alterations:

(i) immediately under the name of the Bond, the headings "INTEREST RATE" and "MATURITY DATE" shall both be completed with the words "As Shown Below" and the word "CUSIP" deleted;

(ii) in the first paragraph of the Bond, the words "on the maturity date specified above" and "at the rate shown above" shall be deleted and the following shall be inserted at the end of the first sentence "...with such principal to be paid in installments on the dates, in each of the years and in the principal amounts identified in the following schedule and with such installments bearing interest at the per annum rates set forth in the following schedule:"

[Information to be inserted from the Officer's Pricing Certificate]

(iii) the Initial Bond shall be numbered I-1.

19. CUSIP Numbers. CUSIP Numbers may be printed on the Bonds, but errors or omissions in the printing of such numbers shall have no effect on the validity of the Bonds.

20. Interest and Sinking Fund; Tax Levy. There is hereby established a separate fund of the City to be known as the City of Wharton, Texas, General Obligation Refunding Bonds, Series 2013 Interest and Sinking Fund (the "Interest and Sinking Fund"), which shall be kept separate and apart from all other funds of the City. The proceeds from all taxes levied, assessed and collected for and on account of the Bonds authorized by this Ordinance shall be deposited, as collected, in the Interest and Sinking Fund. While the Bonds or any part of the principal thereof or interest thereon remain outstanding and unpaid, there is hereby levied and there shall be annually assessed and collected in due time, form and manner, and at the same time as other City taxes are assessed, levied and collected, in each year, a continuing direct annual ad valorem tax, within the limits prescribed by law, upon all taxable property in the City, sufficient to pay the current interest on the Bonds as the same becomes due and to provide and maintain a sinking fund of not less than two percent of the principal amount of the Bonds or the amount required to pay each installment of principal of the Bonds as the same matures, whichever is greater, full allowance being made for delinquencies and costs of collection, and said taxes are hereby irrevocably pledged to the payment of the interest on and principal of the Bonds and to no other purpose.

To pay the debt service coming due on the Bonds prior to receipt of the taxes levied to pay such debt service, there is hereby appropriated from current funds on hand, which are hereby certified to be on hand and available for such purpose, an amount sufficient to pay such debt service, and such amount shall be used for no other purpose.

21. Application of Chapter 1208, Government Code. Chapter 1208, Government Code, applies to the issuance of the Bonds and the pledge of the taxes granted by the City under Section 20 of this Ordinance, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of the taxes granted by the City under Section 20 of this Ordinance is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

22. Further Proceedings. After the Initial Bond has been executed, it shall be the duty of the Mayor and other appropriate officials and agents of the City to deliver the Initial Bond and all pertinent records and proceedings to the Attorney General of the State of Texas, for examination and approval. After the Initial Bond has been approved by the Attorney General, it shall be delivered to the Comptroller for registration. Upon registration of the Initial Bond, the Comptroller

(or the Comptroller's bond clerk or an assistant bond clerk lawfully designated in writing to act for the Comptroller) shall manually sign the Comptroller's Registration Certificate prescribed herein and the seal of said Comptroller shall be impressed, or placed in facsimile, thereon.

23. Sale; Engagement Letter. The Bonds shall be sold and delivered to the Underwriter at a price to be set forth in the Officer's Pricing Certificate, plus accrued interest to the date of delivery, in accordance with the form of Official Bid Form, which is hereby approved by the City Council, subject to completion in accordance with the terms of the Officer's Pricing Certificate. The Pricing Officer is hereby authorized and directed to execute the Official Bid Form on behalf of the City, and the Mayor, City Manager and all other officers, agents and representatives of the City are hereby authorized to do any and all things necessary or desirable to satisfy the conditions set out therein and to provide for the issuance and delivery of the Bonds.

The engagement of Andrews Kurth LLP as bond counsel for the City in connection with the issuance, sale and delivery of the Bonds is hereby approved, ratified and confirmed, and the Mayor is hereby authorized to execute and deliver an engagement letter between the City and such firm, with respect to services as bond counsel, in such form as may be approved by the City Council.

24. Federal Income Tax Exclusion. The City intends that the interest on the Bonds shall be excludable from gross income of the owners thereof for federal income tax purposes pursuant to Sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended, (the "Code") and all applicable temporary, proposed and final regulations (the "Regulations") and procedures promulgated thereunder and applicable to the Bonds. For this purpose, the City covenants that it will monitor and control the receipt, investment, expenditure and use of all gross proceeds of the Bonds (including all property, the acquisition, construction or improvement of which is to be financed directly or indirectly with the proceeds of the Bonds) and take or omit to take such other and further actions as may be required by Sections 103 and 141 through 150 of the Code and the Regulations to cause the interest on the Bonds to be and remain excludable from the gross income, as defined in Section 61 of the Code, of the owners of the Bonds for federal income tax purposes. Without limiting the generality of the foregoing, the City shall comply with each of the following covenants:

(a) The City shall not use, permit the use of or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which, if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City shall have received a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply

with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(b) Except as permitted by Section 141 of the Code and the regulations and rulings thereunder, the City shall, at all times prior to the last stated maturity of the Bonds,

- (1) exclusively own, operate, and possess all property the acquisition, construction, or improvement of which is to be financed directly or indirectly with Gross Proceeds of such series of the Bonds (including property financed with Gross Proceeds of the Refunded Bonds or notes or bonds refunded by the Refunded Bonds and not use or permit the use of such Gross Proceeds or any property acquired, constructed, or improved with such Gross Proceeds in any activity carried on by any person or entity other than a state or local government, unless such use is solely as a member of the general public, or
- (2) not directly or indirectly impose or accept any charge or other payment for use of Gross Proceeds of such series of the Bonds or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with such Gross Proceeds (including property financed with Gross Proceeds of the Refunded Bonds or notes or bonds refunded by the Refunded Bonds other than taxes of general application and interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(c) Except to the extent permitted by Section 141 of the Code and the regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, Gross Proceeds are considered to be "loaned" to a person or entity if (1) property acquired, constructed or improved with Gross Proceeds (including property financed with Gross Proceeds of the Refunded Bonds or notes or bonds refunded by the Refunded Bonds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes, (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output, or similar contract or arrangement, or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or such property are otherwise transferred in a transaction which is the economic equivalent of a loan.

(d) Except to the extent permitted by Section 148 of the Code and the regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the final stated maturity or final payment of the Refunded Bonds, directly or indirectly invest Gross Proceeds of such Bonds in any Investment (or use such Gross Proceeds to replace money so invested), if as a result of such

investment the Yield of all Investments allocated to such Gross Proceeds whether then held or previously disposed of, exceeds the Yield on the Refunded Bonds.

(e) Based on all of the facts and estimates now known or reasonably expected to be in existence on the date the Bonds are delivered, the City reasonably expects that the proceeds of the Bonds and the Refunded Bonds (to the extent any of such proceeds remain unexpended) will not be used in a manner that would cause the Bonds or the Refunded Bonds or any portion thereof to be “arbitrage bonds” within the meaning of Section 148 of the Code.

(f) At all times while the Bonds are outstanding, the City will identify and properly account for all amounts constituting gross proceeds of the Bonds in accordance with the Regulations. The City will monitor the yield on the investments of the proceeds of the Bonds and, to the extent required by the Code and the Regulations, will restrict the yield on such investments to a yield which is not materially higher than the yield on the Bonds. To the extent necessary to prevent the Bonds from constituting “arbitrage bonds,” the City will make such payments as are necessary to cause the yield on all yield restricted nonpurpose investments allocable to the Bonds to be less than the yield that is materially higher than the yield on the Bonds.

(g) The City will not take any action or knowingly omit to take any action, if taken or omitted, would cause the Bonds to be treated as “federally guaranteed” obligations for purposes of Section 149(b) of the Code.

(h) The City represents that not more than fifty percent (50%) of the proceeds of any new money portion of the Bonds or any new money issue refunded by, the Refunded Bonds was invested in nonpurpose investments (as defined in Section 148(f)(b)(A) of the Code) having a substantially guaranteed yield for four years or more within the meaning of Section 149(g)(3)(A)(ii) of the Code, and the City reasonably expected at the time each issue of the Refunded Bonds was issued that at least eighty-five percent (85%) of the spendable proceeds of the Bonds or the Refunded Bonds would be used to carry out the governmental purpose of such Bonds within the corresponding three-year period beginning on the respective dates of the Bonds or the Refunded Bonds.

(i) The City will take all necessary steps to comply with the requirement that certain amounts earned by the City on the investment of the gross proceeds of the Bonds, if any, be rebated to the federal government. Specifically, the City will (i) maintain records regarding the receipt, investment and expenditure of the gross proceeds of the Bonds as may be required to calculate such excess arbitrage profits separately from records of amounts on deposit in the funds and accounts of the City allocable to other obligations of the City or moneys which do not represent gross proceeds of any obligations of the City and retain such records for at least six years after the day on which the last outstanding Bond is discharged, (ii) account for all gross proceeds under a reasonable,

consistently applied method of accounting, not employed as an artifice or device to avoid, in whole or in part, the requirements of Section 148 of the Code, including any specified method of accounting required by applicable Regulations to be used for all or a portion of the gross proceeds, (iii) calculate, at such times as are required by applicable Regulations, the amount of excess arbitrage profits, if any, earned from the investment of the gross proceeds of the Bonds and (iv) timely pay, as required by applicable Regulations, all amounts required to be rebated to the federal government. In addition, the City will exercise reasonable diligence to assure that no errors are made in the calculations required by the preceding sentence and, if such an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter, including payment to the federal government of any delinquent amounts owed to it, including interest thereon and penalty.

(j) The City will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Bonds that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in smaller profit or a larger loss than would have resulted if such arrangement had been at arm's length and had the yield on the issue not been relevant to either party.

(k) The City will timely file or cause to be filed with the Secretary of the Treasury of the United States the information required by Section 149(e) of the Code with respect to the Bonds on such form and in such place as the Secretary may prescribe.

(l) The City will not issue or use the Bonds as part of an "abusive arbitrage device" (as defined in Section 1.148 10(a) of the Regulations). Without limiting the foregoing, the Bonds are not and will not be a part of a transaction or series of transactions that attempts to circumvent the provisions of Section 148 of the Code and the Regulations, by (i) enabling the City to exploit the difference between tax exempt and taxable interest rates to gain a material financial advantage, or (ii) increasing the burden on the market for tax-exempt obligations.

(m) Proper officers of the City charged with the responsibility for issuing the Bonds are hereby directed to make, execute and deliver certifications as to facts, estimates or circumstances in existence as of the Issue Date and stating whether there are facts, estimates or circumstances that would materially change the City's expectations. On or after the Issue Date, the City will take such actions as are necessary and appropriate to assure the continuous accuracy of the representations contained in such certificates.

(n) The covenants and representations made or required by this Section are for the benefit of the Bond holders and any subsequent Bond holder, and may be relied upon by the Bond holder and any subsequent Bond holder and bond counsel to the City.

In complying with the foregoing covenants, the City may rely upon an unqualified opinion issued to the City by nationally recognized bond counsel that any action by the City or reliance upon any interpretation of the Code or Regulations contained in such opinion will not cause interest on the Bonds to be includable in gross income for federal income tax purposes under existing law.

Notwithstanding any other provision of this Ordinance, the City's representations and obligations under the covenants and provisions of this Section shall survive the defeasance and discharge of the Bonds for as long as such matters are relevant to the exclusion of interest on the Bonds from the gross income of the owners for federal income tax purposes.

25. Qualified Tax-Exempt Obligations. The City hereby designates the Bonds as "qualified tax-exempt obligations" as defined in Section 265(b)(3) of the Code. In connection therewith, the City represents (a) that the aggregate amount of tax-exempt obligations issued by the City during calendar year 2013, including the Bonds, which have been designated as "qualified tax-exempt obligations" under section 265(b)(3) of the Code does not exceed \$10,000,000, and (b) that the reasonably anticipated amount of tax-exempt obligations which will be issued by the City during calendar year 2013, including the Bonds, will not exceed \$10,000,000. For purposes of this Section, the term "tax-exempt obligation" does not include "private activity bonds" within the meaning of section 141 of the Code, other than "qualified 501(c)(3) bonds" within the meaning of section 145 of the Code. In addition, for purposes of this Section, the City includes all entities which are aggregated with the City under the Code.

26. Use of Proceeds. Proceeds from the sale of the Bonds shall, promptly upon receipt by the City, be applied as follows:

- (a) Accrued interest in the amount of \$_____³ and, if necessary, net premium on the Bonds in the amount of \$_____⁴, shall be deposited into the Interest and Sinking Fund.
- (b) Premium in the amount of \$_____⁵ shall be used to pay the underwriter's discount.

- (c) Net premium in the amount of \$_____⁶ shall be used to pay the costs of issuance.
- (d) Bond proceeds in the aggregate amount of \$_____⁷, together with other lawfully available funds of the City in the amount of \$_____⁸ shall be deposited directly with the paying agent for the Refunded Bonds to pay all principal of and interest on the Refunded Bonds due on the redemption date specified in the Officer's Pricing Certificate and all costs incurred in the issuance of the Bonds and the refunding of the Refunded Bonds. Any proceeds of the Bonds remaining after making all such deposits and payments shall be deposited into the Interest and Sinking Fund.

27. Redemption of Refunded Bonds. The City has irrevocably exercised its option to call the Refunded Bonds of the City for redemption prior to maturity on the dates and at the prices shown on Exhibit A attached to the Officer's Pricing Certificate, and authorizes and directs notice of such redemption to be given in accordance with the ordinances authorizing the issuance of such Refunded Bonds.

28. Continuing Disclosure Undertaking. (a) Annual Reports. The updated information will include audited financial statements, if the City commissions an audit and it is completed by the required time. If audited financial statements are not available by the required time, the City will provide unaudited financial statements by the required time and audited financial statements when and if such audited statements become available. Any such financial statements will be prepared in accordance with the accounting principals described in APPENDIX C or such other accounting principals as the City may require to employ from time to time pursuant to State law or regulation.

(b) Material Event Notices. The City shall notify the MSRB in an electronic format prescribed by the MSRB, in a timely manner (not in excess of ten (10) days after the occurrence of the event), of any of the following events with respect to the Bonds:

- (i) Principal and interest payment delinquencies;

- (vi) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
- (vii) Modifications to rights of holders of the Bonds, if material;
- (viii) Bond calls, if material, and tender offers;

- (xii) Bankruptcy, insolvency, receivership or similar event of the City;
- (xiii) The consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of the assets of the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and

- (xiv) Appointment of a successor Paying Agent/Registrar or change in the name of the Paying Agent/Registrar, if material.

For the purposes, any event described in the immediate preceding paragraph (12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the City in a proceeding Under States Bankruptcy Code or any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

The City shall notify the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance this Section by the time required by such Section.

(c) Limitations, Disclaimers, and Amendments. The City shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the City remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the City in any event will give notice of any deposit made in accordance with Texas law that causes Bonds no longer to be outstanding.

The provisions of this Section are for the sole benefit of the holders and the beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH

BREACH SHALL BE UNLIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall comprise a breach of or default under this Order for purposes of any other provision of this Order.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

The provisions of this Section may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, or status or type of principal payment of the City, if (1) the agreement, as so amended, would have permitted an underwriter to purchase or sell Bonds in the initial primary offering in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the holders of a majority in aggregate amount of the outstanding Bonds consent to such amendment or (b) a person unaffiliated with the City (such as nationally recognized bond counsel) determines that the amendment will not materially impair the interests of the holders and beneficial owners of the Bonds. The City may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds. If any such amendment is made, the City will include in its next annual update an explanation in narrative form of the reasons for the change and its impact on the type of operating data or financial information being provided.

All documents provided to the MSRB pursuant to this Section shall be accompanied by identifying information as prescribed by the MSRB.

29. Related Matters. To satisfy in a timely manner all of the City's obligations under this Ordinance, the Mayor, the City Secretary or an Assistant City Secretary, the City Manager, and all other appropriate officers and agents of the City are hereby authorized and directed to take all other actions that are reasonably necessary to provide for the refunding of the Refunded Bonds, including, without limitation, executing and delivering on behalf of the City all certificates, consents, receipts, requests, and other documents as may be reasonably necessary to satisfy the City's obligations under this Ordinance and to direct the application of funds of the City consistent with the provisions of this Ordinance.

30. Official Statement. The City Council hereby approves the form and content of the Preliminary Official Statement prepared for the initial offering and sale of the Bonds and hereby authorizes the preparation of a final Official Statement reflecting the terms of the Official Bid Form

and other relevant matters. The use of such Official Statement in the reoffering of the Bonds by the Underwriter is hereby approved and authorized.

31. Registrar. The form of agreement setting forth the duties of the Registrar is hereby approved, and the appropriate officials of the City are hereby authorized to execute such agreement for and on behalf of the City.

32. No Personal Liability. No recourse shall be had for payment of the principal of or interest on any Bonds or for any claim based thereon, or on this Ordinance, against any official or employee of the City or any person executing any Bonds.

33. Power to Revise Form of Documents. Notwithstanding any other provision of this Ordinance, the Mayor, City Secretary and other appropriate officials of the City are each hereby authorized to make or approve such revisions, additions, deletions and variations to this Ordinance, in the judgment of the Mayor, City Secretary and other appropriate officials of the City, and in the opinion of Bond Counsel to the City, as may be necessary or convenient to carry out or assist in carrying out the purposes of this Ordinance, the Preliminary Official Statement, and the final Official Statement; provided, however, that any changes to such documents resulting in substantive amendments to the terms and conditions of the Bonds or such documents shall be subject to the prior approval of the City Commission.

34. Open Meeting. The meeting at which this Ordinance is adopted was open to the public, and public notice of the time, place and purpose of said meeting was given, all as required by the Texas Open Meetings Act; and such notice as given is hereby authorized, approved, adopted and ratified.

The City, the Registrar and any other person may treat the person in whose name any Certificate is registered as the absolute Owner of such Certificate for the purpose of making payment of principal or interest on such Certificate, and for all other purposes, whether or not such Certificate is overdue, and neither the City nor the Registrar shall be bound by any notice or knowledge to the contrary. All payments made to the person deemed to be the Owner of any Certificate in

accordance with this Section shall be valid and effectual and shall discharge the liability of the City and the Registrar upon such Certificate to the extent of the sums paid.

Amounts held by the Registrar which represent principal of and interest on the Certificates remaining unclaimed by the Owner after the expiration of three years from the date such amounts have become due and payable shall be reported and disposed of by the Registrar in accordance with the applicable provisions of Texas law including, to the extent applicable, Title 6 of the Texas Property Code, as amended.

11. Registration, Transfer, and Exchange. So long as any Certificates remain outstanding, the Registrar shall keep the Register at its principal payment office in Houston, Texas, and, subject to such reasonable regulations as it may prescribe, the Registrar shall provide for the registration and transfer of Certificates in accordance with the terms of this Ordinance.

Each Certificate shall be transferable only upon the presentation and surrender thereof at the principal payment office of the Registrar in Houston, Texas, duly endorsed for transfer, or accompanied by an assignment duly executed by the registered Owner or his authorized representative in form satisfactory to the Registrar. All Certificates shall be exchangeable upon presentation and surrender at the principal payment office of the Registrar in Houston, Texas, for a Certificate or Certificates of like maturity and interest rate and in any authorized denomination, in an aggregate amount equal to the unpaid principal amount of the Certificate or Certificates presented for exchange. The Registrar shall be and is hereby authorized to authenticate and deliver exchange Certificates in accordance with the provisions of this Section. Each Certificate delivered in accordance with this Section shall be entitled to the benefits and security of this Ordinance to the same extent as the Certificate or Certificates in lieu of which such Certificate is delivered.

The City or the Registrar may require the Owner of any Certificate to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with the transfer or exchange of such Certificate. Any fee or charge of the Registrar for such transfer or exchange shall be paid by the City.

12. Mutilated, Lost, or Stolen Certificates. Upon the presentation and surrender to the Registrar of a mutilated Certificate, the Registrar shall authenticate and deliver in

exchange therefor a replacement Certificate of like maturity, interest rate, and principal amount, bearing a number not contemporaneously outstanding. If any Certificate is lost, apparently destroyed, or wrongfully taken, the City, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Certificate has been acquired by a bona fide purchaser, shall authorize and the Registrar shall authenticate and deliver a replacement Certificate of like maturity, interest rate and principal amount, bearing a number not contemporaneously outstanding.

The City or the Registrar may require the Owner of a mutilated Certificate to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith and any other expenses connected therewith, including the fees and expenses of the Registrar.

The City or the Registrar may require the Owner of a lost, apparently destroyed or wrongfully taken Certificate, before any replacement Certificate is issued, to:

- i. furnish to the City and the Registrar satisfactory evidence of the ownership of and the circumstances of the loss, destruction or theft of such Certificate;
- ii. furnish such security or indemnity as may be required by the Registrar and the City to save them harmless;
- iii. pay all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Registrar and any tax or other governmental charge that may be imposed; and
- iv. meet any other reasonable requirements of the City and the Registrar.

If, after the delivery of such replacement Certificate, a bona fide purchaser of the original Certificate in lieu of which such replacement Certificate was issued presents for payment such original Certificate, the City and the Registrar shall be entitled to recover such replacement Certificate from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the City or the Registrar in connection therewith.

If any such mutilated, lost, apparently destroyed or wrongfully taken Certificate has become or is about to become due and payable, the City in its discretion may, instead of issuing a replacement Certificate, authorize the Registrar to pay such Certificate.

Each replacement Certificate delivered in accordance with this Section shall be entitled to the benefits and security of this Ordinance to the same extent as the Certificate or Certificates in lieu of which such replacement Certificate is delivered.

13. Cancellation of Certificates. All Certificates paid in accordance with this Ordinance, and all Certificates in lieu of which exchange Certificates or replacement Certificates are authenticated and delivered in accordance herewith, shall be canceled and destroyed upon the making of proper records regarding such payment. The Registrar shall furnish the City with appropriate certificates of destruction of such Certificates.

14. Book-Entry System. a. The Initial Certificate shall be registered in the name of SAMCO Capital Markets, Inc. Except as provided in Section 15 hereof, all other Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

b. With respect to Certificates registered in the name of Cede & Co., as nominee of DTC, the City and the Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such DTC Participant holds an interest in the Certificates, except as provided in this Ordinance. Without limiting the immediately preceding sentence, the City and the Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Certificates, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Certificates, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any amount with respect to principal of, premium, if any, or interest on the Certificates. Notwithstanding any other provision of this Ordinance to the contrary, the City and the Registrar shall be entitled to treat and consider the person in whose name each Certificate is registered in the Register as the absolute Owner of such Certificate for the purpose of payment of principal of and interest on the Certificates, for the purpose of giving notices of redemption and other matters with respect to such Certificate, for the purpose of registering transfer with respect to such Certificate, and for all other purposes whatsoever. The Registrar shall pay all principal of, premium, if any, and interest on the Certificates only to or upon the order of the respective Owners, as shown in the Register as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payments of principal, premium, if any, and interest on the Certificates to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Register, shall receive a certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Ordinance. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this Ordinance with respect to interest checks being mailed to the Owner of record as of the Record Date,

the phrase "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

15. Successor Securities Depository; Transfer Outside Book-Entry Only System. In the event that the City in its sole discretion, determines that the beneficial owners of the Certificates shall be able to obtain certificated Certificates, or in the event DTC discontinues the services described herein, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants, as identified by DTC, of the appointment of such successor securities depository and transfer one or more separate Certificates to such successor securities depository or (ii) notify DTC and DTC Participants, as identified by DTC, of the availability through DTC of Certificates and transfer one or more separate Certificates to DTC Participants having Certificates credited to their DTC accounts, as identified by DTC. In such event, the Certificates shall not longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Certificates shall designate, in accordance with the provisions of this Ordinance.
16. Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Certificates are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Certificates, and all notices with respect to such Certificates, shall be made and given, respectively, in the manner provided in the Blanket Letter of Representations.
17. Optional and/or Mandatory Redemption. The Certificates are subject to optional and/or mandatory redemption as set forth in the Form of Certificate in this Ordinance.

Principal amounts may be redeemed only in integral multiples of \$5,000. If a Certificate subject to redemption is in a denomination larger than \$5,000, a portion of such Certificate may be redeemed, but only in integral multiples of \$5,000. Upon surrender of any Certificate for redemption in part, the Registrar, in accordance with Section 11 hereof, shall authenticate and deliver in exchange therefor a Certificate or Certificates of like maturity, Issuance Date, and interest rate in an aggregate principal amount equal to the unredeemed portion of the Certificate so surrendered.

Notice of any redemption identifying the Certificates to be redeemed in whole or in part shall be given by the Registrar at least thirty days prior to the date fixed for redemption by sending written notice by first class mail, postage prepaid, to the Owner of each Certificate to be redeemed in whole or in part at the address shown on the Register. Such notices shall state the redemption

date, the redemption price, the place at which Certificates are to be surrendered for payment and, if less than all Certificates outstanding of a particular maturity are to be redeemed, the numbers of the Certificates or portions thereof of such maturity to be redeemed. Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice. By the date fixed for redemption, due provision shall be made with the Registrar for payment of the redemption price of the Certificates or portions thereof to be redeemed, plus accrued interest to the date fixed for redemption. When Certificates have been called for redemption in whole or in part and due provision has been made to redeem the same as herein provided, the Certificates or portions thereof so redeemed shall no longer be regarded as outstanding except for the purpose of receiving payment solely from the funds so provided for redemption, and the rights of the Owners to collect interest which would otherwise accrue after the redemption date on any Certificate or portion thereof called for redemption shall terminate on the date fixed for redemption.

The City reserves the right to redeem or defease the Certificates in any manner now or hereafter permitted by law.

There is hereby established a separate fund of the City to be known as the City of Wharton Certificates of Obligation, Series 2013 Interest and Sinking Fund (the "Interest and Sinking Fund"), which shall be kept separate and apart from all other funds of the City. The proceeds from all taxes levied, assessed and collected for and on account of the Certificates authorized by this Ordinance shall be deposited, as collected, in the Interest and Sinking Fund. While the Certificates or any part of the principal thereof or interest thereon remain outstanding and unpaid, there is hereby levied and there shall be annually assessed and collected in due time, form and manner, and at the same time as other City taxes are assessed, levied and collected, in each year, an annual ad valorem tax, within the limits prescribed by law, upon all taxable property in the City, sufficient to pay the current interest on the Certificates as the same becomes due and to provide and maintain a sinking fund of not less than two percent of the principal amount of the Certificates or the amount required to pay each installment of principal of the Certificates as the same matures, whichever is greater, full allowance being made for delinquencies and costs of collection, and said taxes are hereby irrevocably pledged to the payment of the interest on and principal of the Certificates.

21. Pledge of Revenues. The revenues, in an amount not to exceed \$10,000, to be derived from the operation of the City's waterworks and sanitary sewer system, collected by the City, after the payment of all operation and maintenance expenses thereof (the "Net Revenues"), are hereby pledged to the payment of the principal of and interest on the Certificates as the same come due; provided, however, that such pledge is and shall be junior and subordinate in all respects to the pledge of the Net Revenues to the payment of all outstanding obligations of the City and any obligation of the City, whether authorized heretofore or hereafter, which the City designates as having a pledge senior to the pledge of the Net Revenues to the payment of the Certificates. The City reserves the right to issue, for any lawful purpose at any time, in one or more installments, bonds, certificates of obligation and other obligations of any kind payable in whole or in part from the Net Revenues, secured by a pledge of the Net Revenues that may be prior and superior in right to, on a parity with, or junior and subordinate to the pledge of Net Revenues securing the Certificates.

22. Application of Chapter 1208, Government Code. Chapter 1208, Government Code, applies to the issuance of the Certificates and the pledge of the taxes and revenues granted by the City under Sections 20 and 21 of this Ordinance, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Certificates are outstanding and unpaid such that the pledge of the taxes and revenues granted by the City under Sections 20 and 21 of this Ordinance is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve

- to the registered owners of the Certificates the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.
23. Further Proceedings. After the Initial Certificate has been executed, it shall be the duty of the Mayor and other appropriate officials and agents of the City to deliver the Initial Certificate and all pertinent records and proceedings to the Attorney General of the State of Texas, for examination and approval. After the Initial Certificate has been approved by the Attorney General, it shall be delivered to the Comptroller for registration. Upon registration of the Initial Certificate, the Comptroller (or the Comptroller's bond clerk or an assistant bond clerk lawfully designated in writing to act for the Comptroller) shall manually sign the Comptroller's Registration Certificate prescribed herein and the seal of said Comptroller shall be impressed, or placed in facsimile, thereon.
24. Sale. The sale and delivery of the Certificates to SAMCO Capital Markets, Inc. (the "Underwriter") at a price of par, plus a cash premium of \$185,394.65, plus accrued interest thereon to date of delivery, is hereby authorized, approved, ratified and confirmed, subject to the approving opinion as to the legality of the Certificates of the Attorney General of the State of Texas, and of Andrews Kurth LLP, Houston, Texas, bond counsel. It is hereby found and declared that the Certificates were sold at public sale and that the bid of the Underwriter was the best bid received by the City and the issuance of the certificates is in the best interest of the City.

25. Federal Income Tax Exclusion. The City intends that the interest on the Certificates on the Certificates shall be excludable from gross income of the owners thereof for federal income tax purposes pursuant to Sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended, (the “Code”) and all applicable temporary, proposed and final regulations (the “Regulations”) and procedures promulgated thereunder and applicable to the Certificates. For this purpose, the City covenants that it will monitor and control the receipt, investment, expenditure and use of all gross proceeds of the Certificates (including all property, the acquisition, construction or improvement of which is to be financed directly or indirectly with the proceeds of the Certificates) and take or omit to take such other and further actions as may be required by Sections 103 and 141 through 150 of the Code and the Regulations to cause the interest on the Certificates to be and remain excludable from the gross income, as defined in Section 61 of the Code, of the owners of the Certificates for federal income tax purposes. Without limiting the generality of the foregoing, the City shall comply with each of the following covenants:

- a. The City will use all of the proceeds of the Certificates to (i) provide funds for the purposes described in Section 3 of this Ordinance, which will be owned and operated by the City and (ii) to pay the costs of issuing the Certificates. The City will not use any portion of the proceeds of the Certificates to pay the principal of or interest or redemption premium on, any other obligation of the City or a related person.
- b. The City will not directly or indirectly take any action, or omit to take any action, which action or omission would cause the Certificates to constitute “private activity bonds” within the meaning of Section 141(a) of the Code.
- c. Principal of and interest on the Certificates will be paid solely from ad valorem taxes collected by the City, investment earnings on such collections, and as available, proceeds of the Certificates.
- d. Based upon all facts and estimates now known or reasonably expected to be in existence on the date the Certificates are delivered, the City reasonably expects that the proceeds of the Certificates will not be used in a manner that would cause the Certificates or any portion thereof to be an “arbitrage bond” within the meaning of Section 148 of the Code.
- e. At all times while the Certificates are outstanding, the City will identify and properly account for all amounts constituting gross proceeds of the Certificates in accordance with the Regulations. The City will monitor the yield on the investments of the proceeds of the Certificates and, to the extent required by the Code and the Regulations, will restrict the yield on such investments to a yield which is not materially higher than the yield on the Certificates. To the extent necessary to prevent the Certificates from constituting “arbitrage bonds,” the City will make such payments as are necessary to cause the yield on all yield

- restricted nonpurpose investments allocable to the Certificates to be less than the yield that is materially higher than the yield on the Certificates.
- f. The City will not take any action or knowingly omit to take any action that, if taken or omitted, would cause the Certificates to be treated as “federally guaranteed” obligations for purposes of Section 149(b) of the Code.
 - g. The City represents that not more than fifty percent (50%) of the proceeds of the Certificates will be invested in nonpurpose investments (as defined in Section 148(f)(6)(A) of the Code) having a substantially guaranteed yield for four years or more within the meaning of Section 149(g)(3)(A)(ii) of the Code, and the City reasonably expects that at least eighty-five percent (85%) of the spendable proceeds of the Certificates will be used to carry out the governmental purpose of the Certificates within the three-year period beginning on the date of issue of the Certificates.
 - h. The City will take all necessary steps to comply with the requirement that certain amounts earned by the City on the investment of the gross proceeds of the Certificates, if any, be rebated to the federal government. Specifically, the City will (i) maintain records regarding the receipt, investment, and expenditure of the gross proceeds of the Certificates as may be required to calculate such excess arbitrage profits separately from records of amounts on deposit in the funds and accounts of the City allocable to other obligations of the City or moneys which do not represent gross proceeds of any obligations of the City and retain such records for at least six years after the day on which the last outstanding Certificate is discharged, (ii) account for all gross proceeds under a reasonable, consistently applied method of accounting, not employed as an artifice or device to avoid in whole or in part, the requirements of Section 148 of the Code, including any specified method of accounting required by applicable Regulations to be used for all or a portion of any gross proceeds, (iii) calculate, at such times as are required by applicable Regulations, the amount of excess arbitrage profits, if any, earned from the investment of the gross proceeds of the Certificates and (iv) timely pay, as required by applicable Regulations, all amounts required to be rebated to the federal government. In addition, the City will exercise reasonable diligence to assure that no errors are made in the calculations required by the preceding sentence and, if such an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter, including payment to the federal government of any delinquent amounts owed to it, interest thereon and any penalty.
 - i. The City will not directly or indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Certificates that might result in a reduction in

the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if such arrangement had been at arm's length and had the yield on the Certificates not been relevant to either party.

- j. The City will timely file or cause to be filed with the Secretary of the Treasury of the United States the information required by Section 149(e) of the Code with respect to the Certificates on such form and in such place as the Secretary may prescribe.
- k. The City will not issue or use the Certificates as part of an "abusive arbitrage device" (as defined in Section 1.148-10(a) of the Regulations). Without limiting the foregoing, the Certificates are not and will not be a part of a transaction or series of transactions that attempts to circumvent the provisions of Section 148 of the Code and the Regulations, by (i) enabling the City to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage, or (ii) increasing the burden on the market for tax-exempt obligations.
- l. Proper officers of the City charged with the responsibility for issuing the Certificates are hereby directed to make, execute and deliver certifications as to facts, estimates or circumstances in existence as of the date of issuance of the Certificates and stating whether there are facts, estimates or circumstances that would materially change the City's expectations. On or after the date of issuance of the Certificates, the City will take such actions as are necessary and appropriate to assure the continuous accuracy of the representations contained in such certificates.
- m. The covenants and representations made or required by this Section are for the benefit of the Certificate holders and any subsequent Certificate holder, and may be relied upon by the Certificate holders and any subsequent Certificate holder and bond counsel to the City.

In complying with the foregoing covenants, the City may rely upon an unqualified opinion issued to the City by nationally recognized bond counsel that any action by the City or reliance upon any interpretation of the Code or Regulations contained in such opinion will not cause interest on the Certificates to be includable in gross income for federal income tax purposes under existing law.

Notwithstanding any other provision of this Ordinance, the City's representations and obligations under the covenants and provisions of this Section 25 shall survive the defeasance and discharge of the Certificates for as long as such matters are relevant to the exclusion of interest on the Certificates from the gross income of the owners for federal income tax purposes.

26. Qualified Tax-Exempt Obligations. The City hereby designates the Bonds as "qualified tax-exempt obligations" as defined in Section 265(b)(3) of the Code. In connection

therewith, the City represents (a) that the aggregate amount of tax-exempt obligations issued by the City during calendar year 2013, including the Bonds, which have been designated as “qualified tax-exempt obligations” under section 265(b)(3) of the Code does not exceed \$10,000,000, and (b) that the reasonably anticipated amount of tax-exempt obligations which will be issued by the City during calendar year 2013, including the Bonds, will not exceed \$10,000,000. For purposes of this Section, the term “tax-exempt obligation” does not include “private activity bonds” within the meaning of section 141 of the Code, other than “qualified 501(c)(3) bonds” within the meaning of section 145 of the Code. In addition, for purposes of this Section, the City includes all entities which are aggregated with the City under the Code.

27. Use of Proceeds. Proceeds from the sale of the Certificates shall, promptly upon receipt by the City, be applied as follows:

- a. Accrued interest in the amount of 2,556.67 on the Certificates shall be deposited into the Interest and Sinking Fund.
- b. Net Premium in the amount of \$185,394.65 and proceeds in the amount of \$115,331.22 shall be used to pay cost of issuance and underwriters discount.
- c. The remaining proceeds of the Certificates shall be used for the purposes described in Section 3 of this Ordinance. Any Certificate proceeds remaining after accomplishing the purposes set out in Section 3 and paying costs of issuance, plus earnings on investments of such proceeds, shall be transferred to the Interest and Sinking Fund.

28. Official Statement. The City hereby approves the form and content and distribution of the Preliminary Official Statement prepared in the initial offering and sale of the Certificates and hereby authorizes the preparation of a final Official Statement reflecting the final pricing terms of the Certificates and other relevant information. The use of such final Official Statement by the Underwriter is hereby approved and authorized and the proper officials of the City are authorized to sign such Official Statement.

29. Continuing Disclosure Undertaking. As used in this Section, the following terms have the meanings ascribed to such terms below:

“MSRB” means the Municipal Securities Rulemaking Board.

“Rule” means SEC Rule 15c2-12, as amended from time to time.

“SEC” means the United States Securities and Exchange Commission.

- a. The City will provide certain updated financial information and operating data to the MSRB annually in an electronic format as prescribed by the MSRB and available via the Electronic Municipal Market Access (“EMMA”) system at www.emma.msrb.org. The information to be updated includes all quantitative financial information and operating data with respect to the City of the general type included in Schedules 1, 2 and 4-13 of the Official Statement authorized by Section 28 of this Ordinance. The City shall update such information within six months after the end of each fiscal year. Any financial statements so to be provided shall be (1) prepared in accordance with the accounting principles prescribed by the Texas State Board of Education or such other accounting principles as the City may be required to employ from time to time pursuant to State law or regulation and (2) audited, if the City commissions an audit of such statements and the audit is completed within the period during which they must be provided. If audited financial statements are not so provided, then the City shall provide unaudited financial statements for the applicable fiscal year by the required time, and audited financial statements when and if audited financial statements become available.

If the City changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the City otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to documents (i) available to the public on the MSRB’s internet web site or (ii) filed with the SEC. All filings shall be made electronically, in the format specified by the MSRB.

- b. The City shall notify the MSRB in an electronic format prescribed by the MSRB, in a timely manner (not in excess of ten (10) days after the occurrence of the event), of any of the following events with respect to the Certificates:
 1. Principal and interest payment delinquencies;
 2. Non-payment related defaults, if material;
 3. Unscheduled draws on debt service reserves reflecting financial difficulties;
 4. Unscheduled draws on credit enhancements reflecting financial difficulties;

5. Substitution of credit or liquidity providers or their failure to perform;
6. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Certificates, or other material events affecting the tax status of the Certificates;
7. Modifications to rights of holders of the Certificates, if material;
8. Certificate calls, if material, and tender offers;
9. Defeasances;
10. Release, substitution, or sale of property securing repayment of the Certificates, if material;
11. Rating changes;

13. The consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of the assets of the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
14. Appointment of a successor or additional trustee or the change of name of a trustee, if material.

The City shall notify the MSRB in an electronic format prescribed by the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with this Section by the time required by such Section.

All documents provided to the MSRB shall be accompanied by identifying information, as prescribed by the MSRB.

- c. The City shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the City remains an “obligated person” with respect to the Certificates within the meaning of the Rule, except that the City in any event will give the notice required by this Section of any Certificate calls and defeasance that cause the City to be no longer such an “obligated person.”

The provisions of this Section are for the sole benefit of the Registered Owners and beneficial owners of the Certificates, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City

undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Certificates at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE REGISTERED OWNER OR BENEFICIAL OWNER OF ANY CERTIFICATE OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under the Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended to or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

- d. The provisions of this Section may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell the Certificates in the primary offering of the Certificates in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Registered Owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Certificates consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Registered Owners and beneficial owners of the Certificates. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with this

Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided. The City may also amend or repeal the provisions of this Section if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, and the City also may amend the provisions of this Section in its discretion in any other manner or circumstance, but in any case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling Certificates in the primary offering of the Certificates, giving effect to (a) such provisions as so amended and (b) any amendments or interpretations of the Rule.

30. Power to Revise Form of Documents. Notwithstanding any other provision of this Ordinance, the Mayor is hereby authorized to make or approve such revisions, additions, deletions, and variations to this Ordinance and in the form of the documents attached hereto as exhibits as, in the judgment of the Mayor, and in the opinion of Bond Counsel to the City, may be necessary or convenient to carry out or assist in carrying out the purposes of this Ordinance, the Preliminary Official Statement, the final Official Statement, or as may be required for approval of the Certificates by the Attorney General of Texas; provided, however, that any changes to such documents resulting in substantive amendments to the terms and conditions of the Certificates or such documents shall be subject to the prior approval of the City Council.

30. Related Matters. The Mayor, the City Manager, the City Secretary, the Finance Director, and other appropriate officials of the City are hereby authorized and directed to do any and all things necessary and/or convenient to carry out the terms of this Ordinance.
31. Registrar. The form of agreement setting forth the duties of the Registrar is hereby approved, and the appropriate officials of the City are hereby authorized to execute such agreement for and on behalf of the City.
32. No Personal Liability. No recourse shall be had for payment of the principal of or interest on any Certificates or for any claim based thereon, or on this Ordinance, against any official or employee of the City or any person executing any Certificates.
33. Open Meeting. It is hereby officially found and determined that the meeting at which this Ordinance was adopted was open to the public, and that public notice of the time, place and purpose of said meeting was given, all as required by the Texas Open Meetings Act.
