**Disclaimer**  
The maps and documents included in this planning study are to be used for  
comprehensive planning purposes only as reference material provided for  
laypersons, whether they are public officials or members of the general public.  
Recommendations for infrastructure improvements in this study, which are  
derived from engineering studies, or project cost estimates prepared by  
an engineer, are cited as such. Under no circumstances should material  
contained within this study regarding improvements to the City's infrastructure  
be construed as a detailed engineering plan, specification, engineering design,  
or any other type of document intended for the purpose of specific public  
work construction. The municipality and/or governing agency is responsible  
for obtaining the services of a licensed professional engineer to perform  
engineering design services for the construction of public works projects  
as required by The Texas Engineering Practice Act.

The lot, right-of-way, corporate and extraterritorial jurisdiction boundaries  
depicted on these maps were derived from readily available information such  
as existing corporate maps, census maps, or plat maps from the County  
Clerk or Appraisal District and are representational in nature. Locations and  
characterizations of infrastructure, facilities, and structures depicted on these  
maps are approximate. The City and GrantWorks, Inc. do not intend to  
establish or confirm true and legal boundaries or exact locations of physical  
objects with these maps and do not warrant or approve the use of these maps  
for any purpose other than general reference and information.
