City of Wharton Heavy Rainfall Flooding Event

Wharton, TX, May 6, 2019 –

The City of Wharton residents are now able to begin regular usage of water. The large volumes of water received from Wednesday's heavy rainfall have begun to recede. If you are a resident or business owner that was flooded due to Wednesday's heavy rainfall and you have not already contacted the City of Wharton's Code Enforcement Department, please do so by calling 979-532-2491.
