City of Wharton 2018-2028 Comprehensive Plan

Wharton, TX, February 27, 2018 –

The City of Wharton has partnered with GrantWorks, Inc. to create a 2018-2028 Comprehensive Plan for the community. There will be two surveys and public meetings to find out what residents would like to see Wharton become over the next ten years.

GrantWorks will gain input from Wharton ISD students and the general public regarding their assessment of current recreation and open space areas and facilities within the City and their desires/priorities for future recreation/open space development. Residents will soon be provided with digital surveys (in both English and Spanish) through SurveyMonkey.com to give their input as well as paper copies available at City Hall, if requested. The four meetings will be held at the Wharton Civic Center on the following dates:

Wednesday, March 14, 2018 at 6 p.m.
Thursday, March 22, 2018 at 6 p.m.
Wednesday, April 4, 2018 at 6 p.m.
Wednesday, April 11, 2018 at 6 p.m.

Now is the opportunity to give input on what residents would like to preserve, eliminate or gain for the City by 2028. What is the City's greatest challenge and what major improvement or change would you like to see? Make your voice heard.
