Revised 02/2019

**CITY OF WHARTON  
INSPECTOR/ CODE ENFORCEMENT OFFICER**

*Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.*

**DEFINITION**

To investigate and resolve potential violations of municipal and state laws, ordinances, codes and regulations; to inspect residential, commercial, and industrial buildings at various stages of construction, alteration, and repair.

**SUPERVISION RECEIVED AND EXERCISED**

Receives general direction from the Building Official.

Exercises no supervision.

**EXAMPLES OF IMPORTANT RESPONSIBILITIES AND DUTIES**—Important responsibilities and duties may include, but are not limited to, the following:

**Essential duties and responsibilities**

Conduct field inspections of industrial, commercial and residential buildings during various stages of construction and remodeling to assure compliance with applicable codes and regulations.

Inspect foundation, cement, framing, plastering, plumbing, hvac, electrical installations, and a large variety of other complex and routine building system elements.

Perform complex inspection duties in trade specialties such as plumbing, electrical, mechanical and general facilities construction.

Check stud, joist, rafter spacing and other structural member factors.

Examines grade, quality and treatment of lumber, cement, lath, wire and composition to ensure quality materials are used in construction.

**CITY OF WHARTON**  
**Inspector/ Code Enforcement Officer**

Enforce codes related to the condemnation and rehabilitation of sub-standard buildings.

Confer with architects, general contractors, sub-contractors and the general public in the field and the office; interpret and explain requirements and restrictions concerning building construction and code enforcement.

Investigate complaints of violation of local and state laws, ordinances or codes involving non-building issues; respond to and handle complaints, concerning weeds, debris, rodent and similar nuisances; maintain records of inspections; provide information to violators and the general public regarding applicable codes, laws and ordinances.

Assist Floodplain Administrator for compliance with the Floodplain Ordinance.

**Essential duties and responsibilities**

Produce clear and concise correction notices pursuant to job site field inspections; maintain records and prepare reports.

Issue notices of violation and notices of abatement; conduct follow-up investigations to ensure compliance with appropriate codes and ordinances.

Prepare a variety of written reports, memos and correspondence; document and maintain records of code enforcement activities; compile findings, photographs and other evidence of non-compliance and prepare case for potential legal actions.

Testify in court as required.

**Other important duties and responsibilities**

Provide back-up relief by issuing permits and screening callers.

Perform other duties assigned.

**QUALIFICATIONS**
